Event Evaluation

Thank you for attending KFE4Skills. KFE will contact you with a brief *Survey Monkey* evaluation questionnaire. Feedback is helpful to us and we hope that you can find time to kindly complete the event evaluation. The survey is also available via a link at www.kentfurthereducation.org

KFE4Skills Event Thanks

Special thanks from KFE to the event hosts MidKent College, and to all the students participating in the twenty-five industry competitions and to all student helpers and models involved in helping make KFE4Skills 2020 happen! Good luck to students that opt to progress to World Skills UK heats.

Thanks to all academic and support staff that have helped enable the event, and to our sponsors, external guests and industry round judges for their valuable contributions to the biggest FE skills competition of its type in the south east.

KFE4Skills Sponsors & Supporting Organisations

KFE4Skills 2020 Key Sponsor

Kent Further Education and its member colleges would like to extend extra special thanks to our key second year sponsor City and Guilds.

A City & Guilds Group Business
