

A great place to **live, work and learn**

Kent & Medway Health and Care Academy

KFE TLA 2023

SDF2

What is the Academy...

The Academy is a collaboration of **Health, Care** and Education partners working **together** to create a centralised, systematic and sustainable approach to developing a talent pool of **skilled, motivated** and **work ready people** in Kent and Medway.

“Together we lead Kent and Medway employers across health and care in the delivery of **early career development, pre-employment, apprenticeships, education** and **skills agenda**”

Together we work towards making Kent and Medway a **great place** to **live, work** and **learn** through widening participation, collaboration and engagement with our communities”

“We will be **ambitious**, embrace **technology** and **transform** the way the **workforce work**, with closer **integration of health and social care teams** and **working together** across organisations in **partnership.**”

Careers engagement...

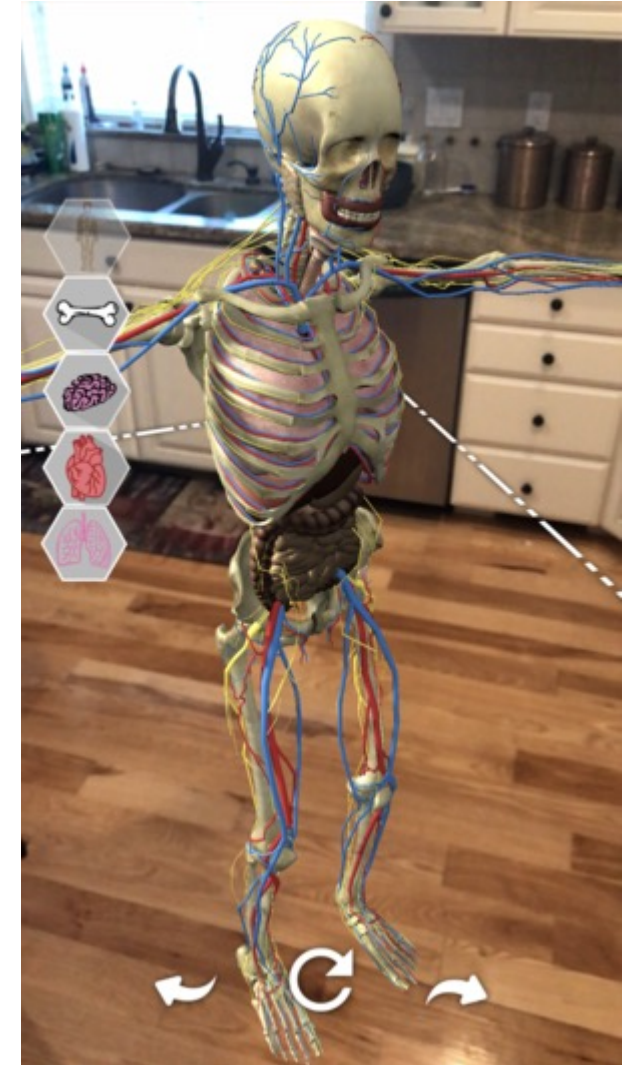

With over **350 careers** to choose from in **Health & Care**, we have a duty to ensure young people are made aware of this.

Imagine a world of consisting of a system approach within **Health & Care** to careers engagement. A world including a 'one stop shop' to all your needs for clear, concise and relevant **IAG** relating to careers in **Health & Care**.

A world where young people at school can receive **Information, advice and guidance** by an active; doctor, nurse, speech and language therapists or even an engineer in a health & care setting. Followed by an **immersive** experience including **VR, AR**, a 360 virtual walkthrough of a hospital and a **fully portable** and **immersive experience** living *'5 minutes in the life of'*

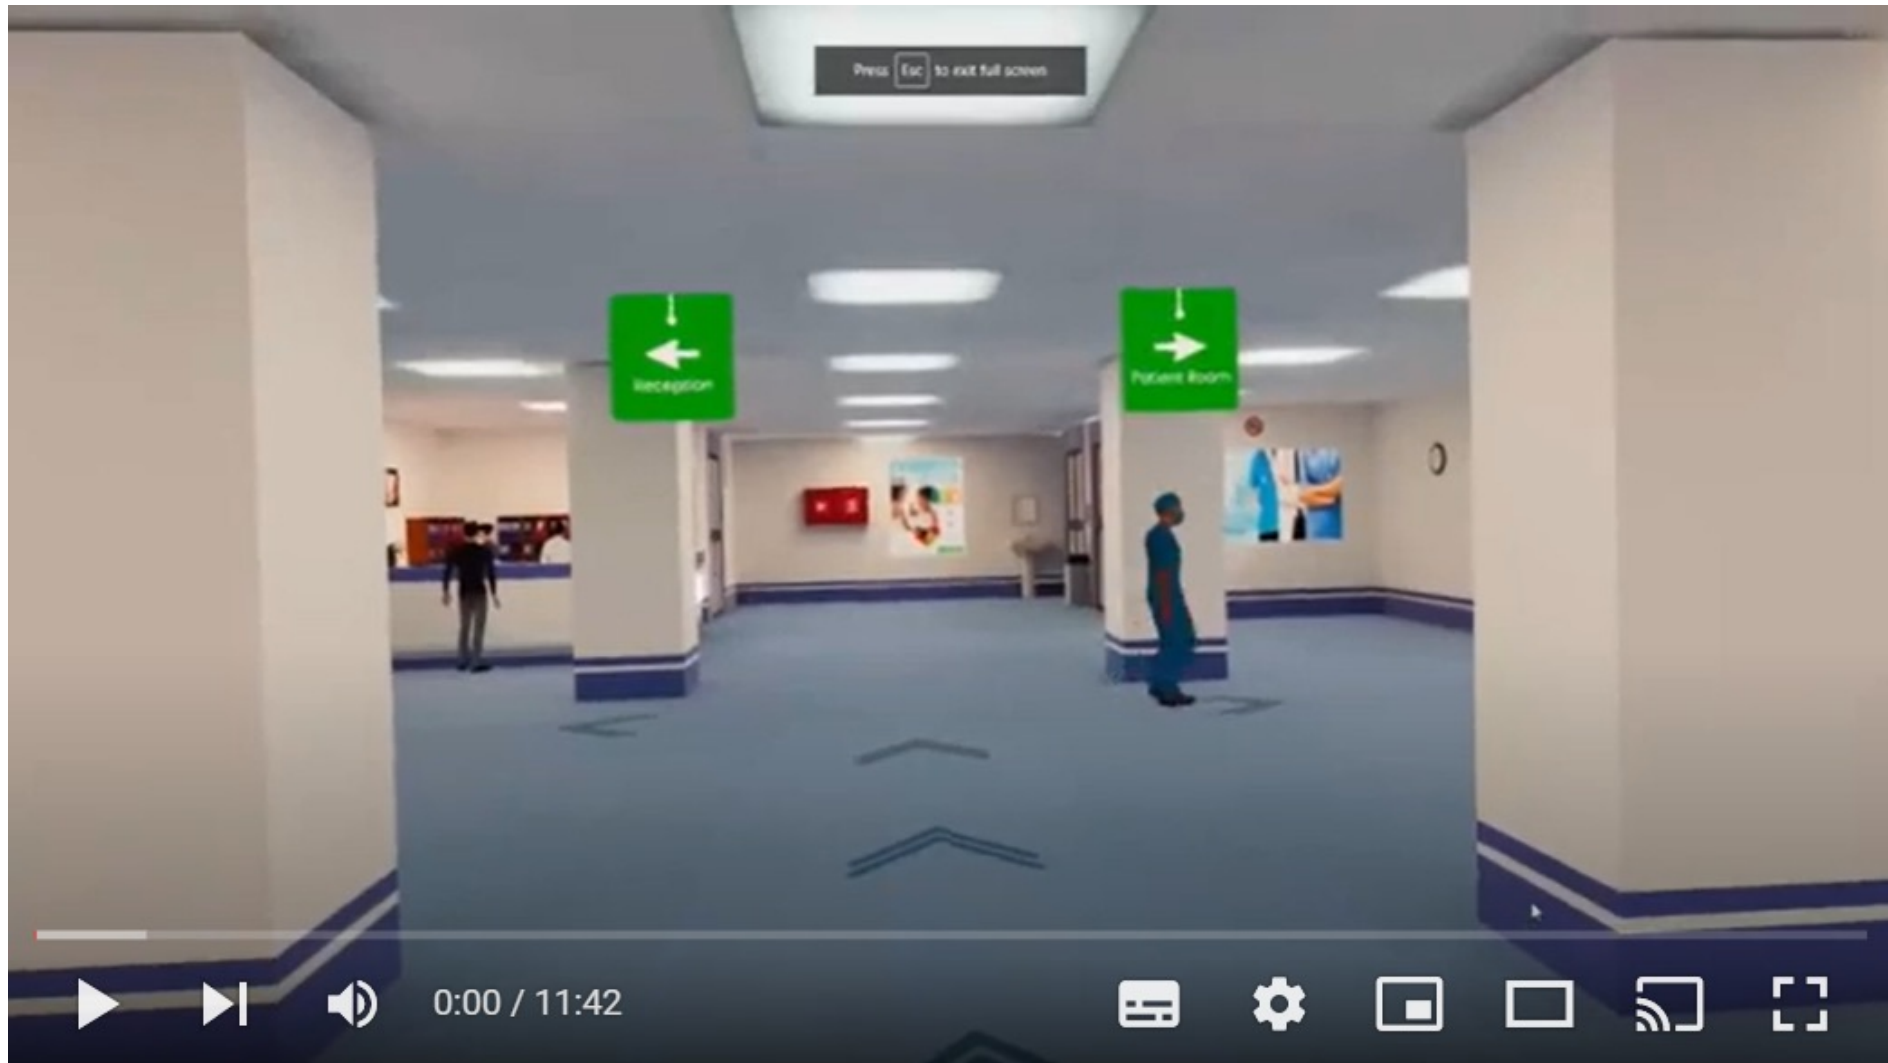

A great place to **live,** **work** ^{and} **learn**

Welcome to SDF2...

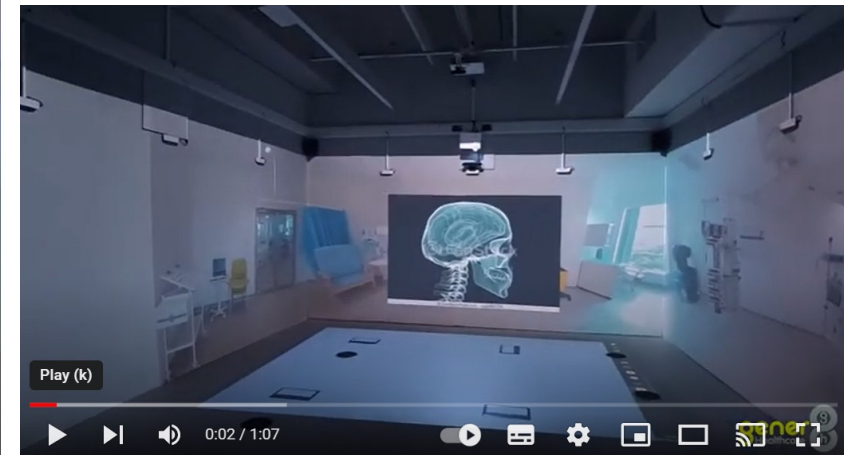

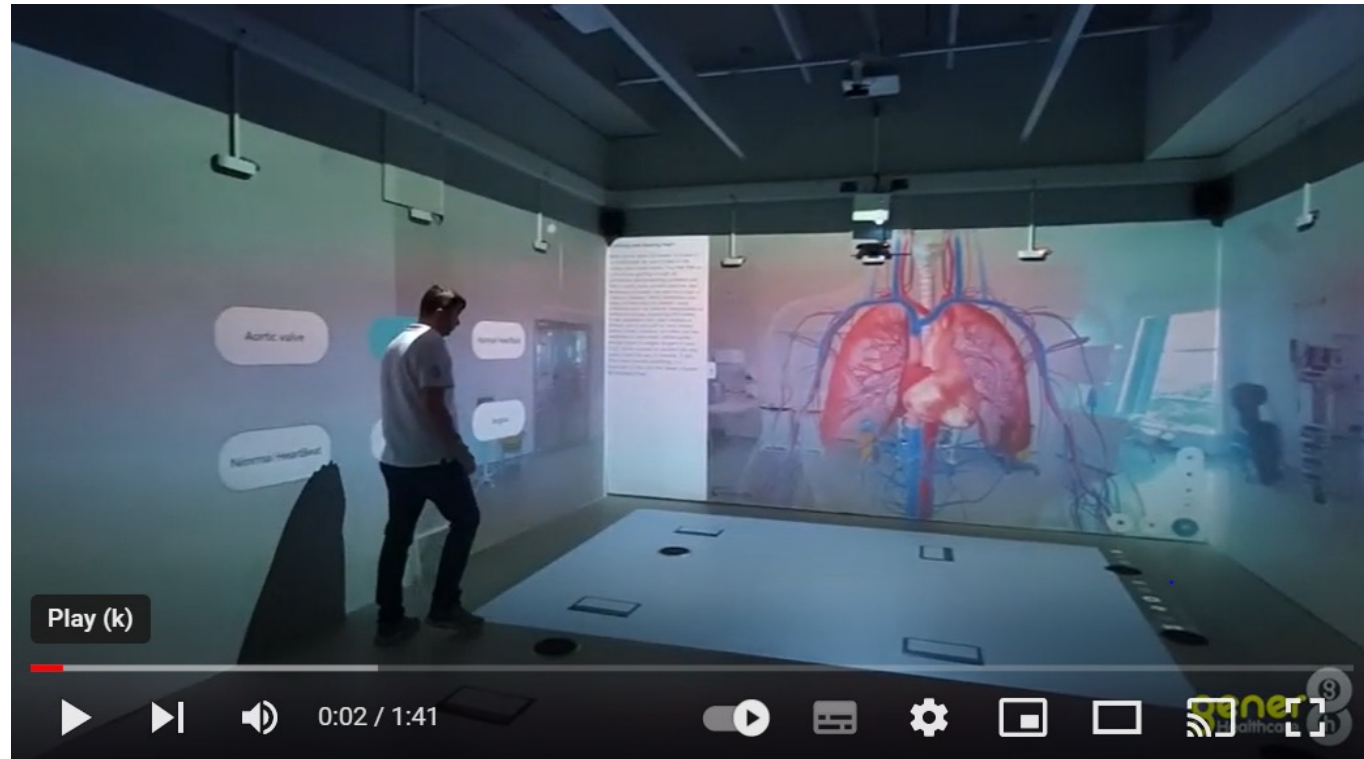

A great place to **live,** **work** ^{and} **learn**

360 walkthrough...

Immersive experience...

A great place to **live, work and learn**

A great place to **live,** **work** ^{and} **learn**
